

Happy Friendship Day, Nisha! ❤️

Kabhi socha nahi tha ki ek simple "Hi" se shuru hui baat itni acchi dosti mein badal jayegi.

Office ki planning ho, trips ka management ho, farewell gifts, random work issues, ya bas ek chhota sa "Hey" ... har memory apni jagah special hai. Shayad hum roz emotional baatein nahi karte, lekin har baar jab zarurat padi, tum hamesha ek achhi dost banke saath khadi rahi.

Thank you har guidance ke liye, har support ke liye, aur un chhoti-chhoti cheezon ke liye jo shayad kabhi boli nahi jaati, par hamesha yaad rehti hain.

Meri life ke kuch best office memories mein tumhara naam hamesha rahega. Dua hai ki chahe life hume kahin bhi le jaye, ye dosti kabhi kam na ho.

Happy Friendship Day! 😊 Hamesha aise hi khush raho, muskurati raho, aur meri life ki

best friends mein se ek bani raho.
